## PVC PAROCUT GUSSET MARKER

**A robust grade of PVC marker, designed to cover a range of cable sizes.**

These colour coded flexible markers are available in parocut lengths of 1000 pieces and are wound onto compact dispenser coils.

The partly severed products allow trouble free dispensing of the pre-cut lengths with little risk of waste caused through spillage.

Standard colours are yellow and white, but a range of colours is available.  
Maximum temperature is 85 degrees C.

All sizes available with single digit print.
