Product Reference: **HEATSHRINK PAROCUT KIT 1**

RCC OSH 3:1 HEATSHRINK 3MM I.D. SHRINKING TO 1MM

- ❖ A **practical** and **helpful** kit comprising useful lengths of part-cut (parocut) Polyolefin Heat-Shrink material in printed and colour-coded form.
- ❖ Much quicker and easier to handle than traditional single idents.
- ❖ Can be kept with the toolbox for **immediate access** and use.
- ❖ Simply pinch off to detach each marker as required.

This version contains resistor colour-coded Heat-Shrink markers to DEF STAN 59-97 Type 2B
Each kit has 28 strips of 9 markers size 3mm x 5mm in each of the following:

<u>COLOUR</u>	<u>PRINTED</u>
BLACK	0
BROWN	1
RED	2
ORANGE	3
YELLOW	4
GREEN	5
BLUE	6
VIOLET	7
GREY	8
WHITE	9

Other versions of this kit are available– please ask our Sales team.

Priced at an attractive level, this kit should be an invaluable aid to time and cost saving.
